

UNIVERSITY OF MASSACHUSETTS BOSTON

Police Department

Presents

SILENT WITNESS EXHIBIT

October is *National Domestic Violence Awareness Month*.

During this month, local organizations join together to promote greater public awareness about domestic violence. This month provides an excellent opportunity for our Campus to demonstrate its support in ending domestic violence and show support to the numerous victims who are among us. Moreover, it is a wonderful opportunity to educate the public on the seriousness of domestic violence and the prevalence of this epidemic in our lives.

October 2nd- 12th 2009
